Your **SUCCESS**  
is our  
**MISSION!**

## ISO 27001 by SIGMA

We enable you to achieve the **certification** for **ISO 27001** to objectively and credibly demonstrate the effectiveness of your **information security management system (ISMS)**.

This globally recognized standard defines the requirements for the **introduction, implementation, documentation and improvement of an ISMS** with certification.

We identify, analyze and eliminate existing risks for your company through qualified measures.

In this way we protect your **confidential information** and improve the **integrity** and **availability** of your IT structures.

## MANY YEARS OF EXPERIENCE & EXCLUSIVE CONSULTING

With over 15 years of industry-specific experience, we offer practical solutions and individual consulting with customized strategies that are exactly aligned with your needs.

## DEFAULT PROCESS IMPLEMENTATION

Well-proven, optimized processes that have been verified in practice as efficient and safe.

## COST PROTECTION & COST TRANSPARENCY

Clear and plannable cost structures for your investment security.

## CUSTOMER SATISFACTION ACROSS THE ENTIRE COMPANY

Your success is our top priority – we always act in your interest.

## PERSONAL CONTACT

A direct line to us - We are always here for you.

## TIME SAVING

Efficient processes for fast and exact implementation of your projects.

We support you in improving your information security in a systematic and targeted process and customize it to your individual requirements.

By implementing an **ISO 27001-certified** information security management system (ISMS), you can demonstrate a high level of security for your information, data and systems!
