Your **SUCCESS**  
is our  
**MISSION!**

# VEHICLE CYBER SECURITY by SIGMA

Lorem ipsum is simply dummy text of the printing and typesetting industry. Lorem ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and

The increasing digitalization of vehicle systems places high demands on **cyber security** in the **automotive industry**.

This concerns the **security** and **reliability** of all IT-supported components of a vehicle over the entire **supply chain** and the entire **life cycle**.

We support our customers in ensuring the **cyber security** of their **products** and **processes** and in meeting the **regulatory requirements**.

**MANY YEARS OF EXPERIENCE & EXCLUSIVE CONSULTING**

With over 15 years of industry-specific experience, we offer practical solutions and individual consulting with customized strategies that are exactly aligned with your needs.

**DEFAULT PROCESS IMPLEMENTATION**

Well-proven, optimized processes that have been verified in practice as efficient and safe.

**COST PROTECTION & COST TRANSPARENCY**

Clear and plannable cost structures for your investment security.

**CUSTOMER SATISFACTION ACROSS THE ENTIRE COMPANY**

Your success is our top priority – we always act in your interest.

**PERSONAL CONTACT**

A direct line to us - We are always here for you.

**TIME SAVING**

Efficient processes for fast and exact implementation of your projects.

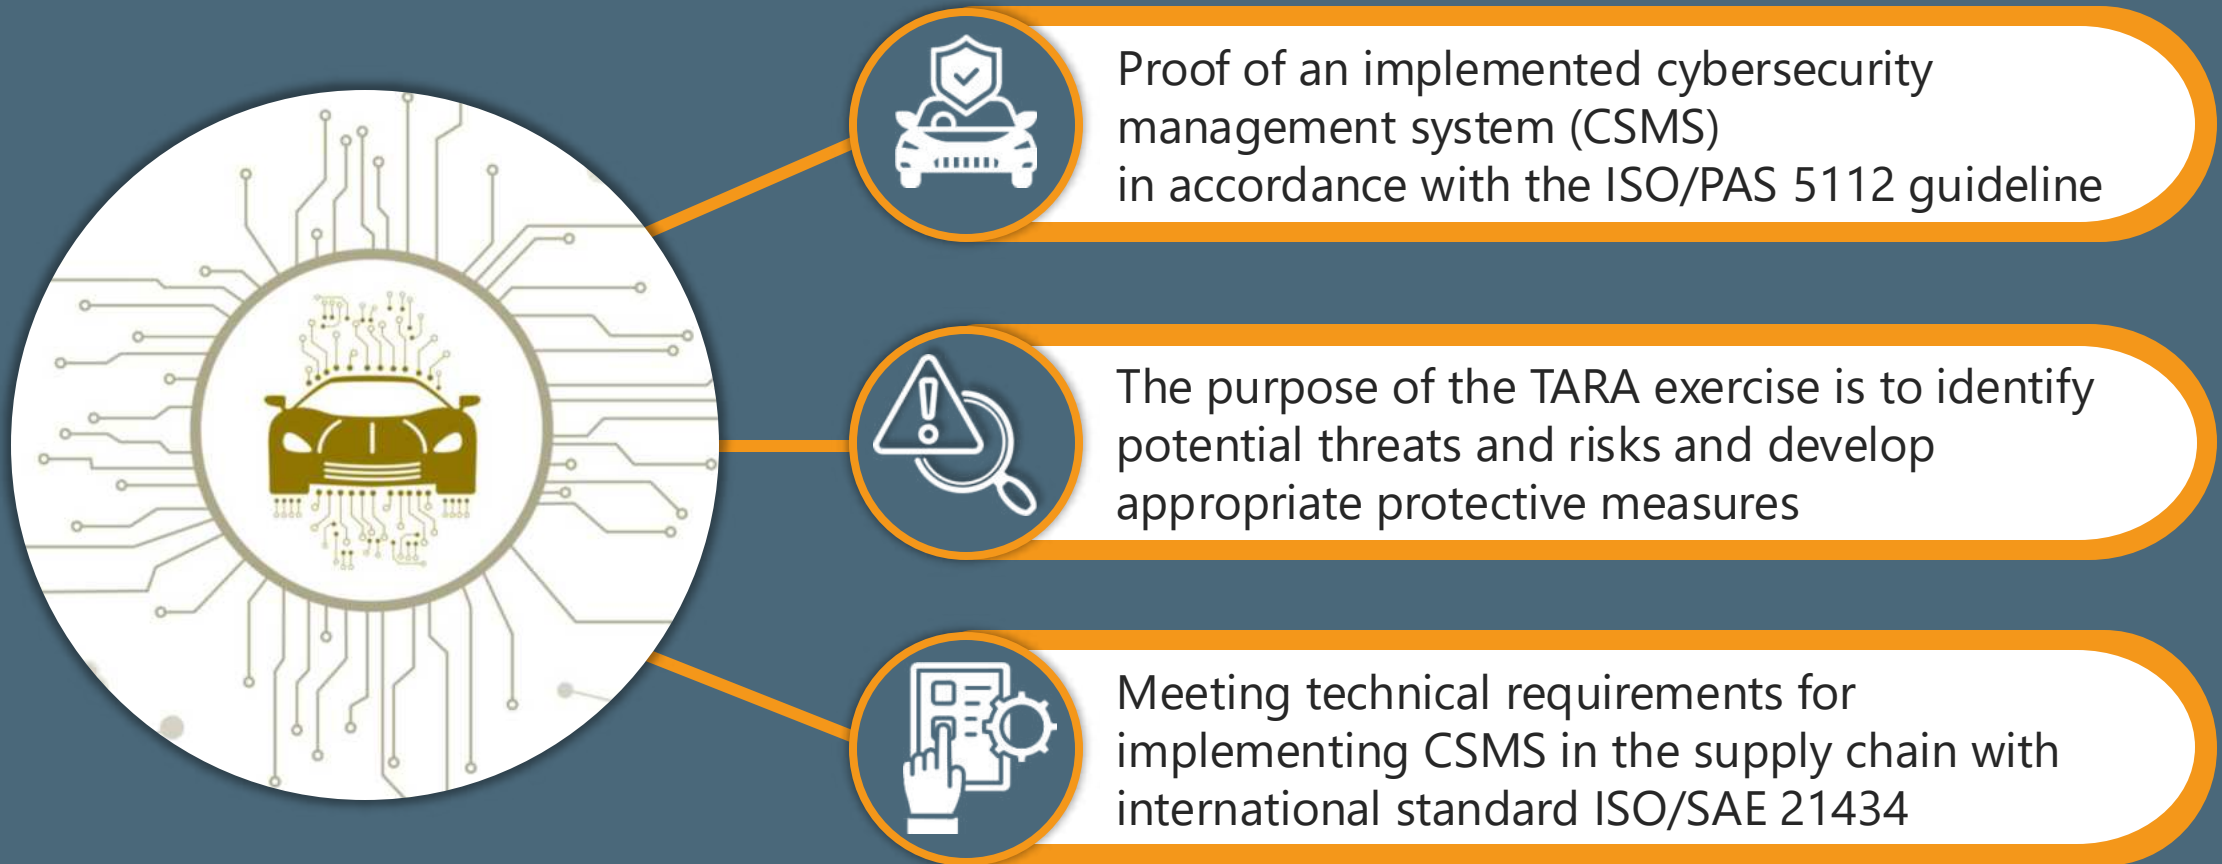

We support our customers in achieving the required cyber security label:

**"VCS Development"**

**"VCS Production" or**

**"VCS Operations & Maintenance"**

In addition, we support you in complying with the UNECE requirements, in particular UN R 155, which covers the cyber security of vehicles.

- ← We **implement** your **Cyber Security Management Systems (CSMS)**
- ← We take care of all **necessary internal audits** and **support** you in the **external audit** until you receive your label
- ← We will **support you** in creating all the **necessary documents, guidelines** and **reviews** in coordination with your operating departments
- ← **Risk evaluation** through **Threat Analysis & Risk Assessment (TARA)** in all phases of the life cycle
- ← We provide your external **chief information security officer (CISO)**, without internal resources for the CISO
